

Hi, I'm Sampanna 😊👋

SAMPANNA CHATTERJEE

Java Backend Developer

I am an aspiring Java Backend Developer studying at Masai School, India. I have a keen sense of interest in Backend Development. My tech skills include Java, MySQL, HTML, CSS, and JavaScript. My goal in life is to become a competent software developer and be a part of an organization where I can grow and make myself better every day. When I am not doing Development, I like to indulge myself in cooking, reading books, or playing basketball. Huge fan of the Golden State Warriors !!!
